Festival Specials

Guests enjoyed an evening of delightful piano presentations and colourful Ukrainian dancing the evening of April 20th, when the Museum hosted Festival Specials.

The music students of Gayle Anderson displayed their considerable abilities for the audience, having already won many prizes in Wetaskiwin competitions.

The lively Ukrainian dance group from Dance FX were students of Miss Debbie, and would soon be adjudicated in dance competitions. In typical fashion, the preschool dancers were the show stoppers.

Katie-Lynn Anderson, daughter of Gayle, who has recently been training in Musical Theatre, performed two delightful numbers.

School Tours

To date, we have had nine school tours. Six more are booked for June. Everyone loves dressing in period costumes and pretending they are pioneers.

CARMN Meeting

The Museum hosted the Central Alberta Regional Museums Network (CARMN) meeting on April 6 beginning at 10 a.m. "Welcome bags" were distributed as the group was welcomed by Sylvia on behalf of the Museum and the city of Wetaskiwin.

After the meeting and lunch, a Travel Alberta representative gave a short information session on the Tourist Information System on-line.

Highlighting all that the Museum has accomplished, Sylvia and Brianne presented curriculum-based school programs and edu-kits. The guests took part in the demonstration of the Grade 5 Trading Post school tour.

Along with requests for information, the staff and board received many accolades on all the museum has achieved.
