

History in Motion

Goodbye, Adieu.....

We wish to extend best wishes to summer students **Dakin McDonald and Gillian Furuness**, who have left after a very productive summer. **Dakin**, Admin. Assistant/Computer Programmer has been with us for two summers. Dakin's expertise was appreciated in many areas of the museum, including advertising and promoting the museum, exhibit design, and creation of story lines and text. His knowledge of computer programs and ability to assist other staff members in learning them was invaluable. Dakin has returned to his studies at Acadia University in Nova Scotia.

Gillian was Events Coordinator/Museum Assistant for four months and while here, Gill registered books in the Resource Library, coordinated the Canada Day Event and Children's summer programs, and updated museum information on websites. She completed many assignments because of her skill on the internet and knowledge of computer programs. Gill has returned to Red Deer College to continue her studies in Business Administration and Accounting. Thanks, Gill and Dakin, we will miss you!

Sylvia & Helen

Presentation to Helen

Long-time employee, Helen Caldwell, has retired from Museum work. At a farewell gathering, Sylvia presented a gift and thanked her for organizing the artifact move from the old location to the new building.

Helen has worked steadily since 2005 to ensure accurate registration and storage of artifacts.

She is off to Ontario for a three week holiday with family. Good Luck in your future endeavours, Helen!

Gill & Charlotte

Children's Summer Programs

The chatter and laughter of happy children filled the museum during the three weeks of Children's Summer Programs.

Gill Furuness, assisted by Charlotte Baskerville, organized 3 levels of classes for 3 different age groups. The summer camps were well attended and the children enjoyed the old-fashioned crafts, games and outdoor activities. On display in the Children's Legacy Centre are collages of the crafts done by each group.

Community Spirit!

Community Spirit is a new Government program that will match individual donations of \$100 or more to non-profit organizations.

So... a \$100 donation to the **Museum** becomes \$200, a \$500 donation becomes \$1000 and \$1000 becomes \$2000!!!

Make a donation today and watch **your donation double**. Tax receipts will be issued. **Note** that the new federal tax laws give a 50% tax credit for donations over \$200.

Vintage Gala

Thursday, October 9th

Come and enjoy **A Wine & Food Paired Dinner** at Glens Grill, Montgomery Glen Golf Course.

Chef, **Jesse Chambers**, has developed a **5 course menu** to accompany the featured **South African wines**.

Entertainment by Heather Dawn.
